

CUMC LEARNING TEAM

WELCOME!

OUR MISSION

*We exist to help people grow in their love relationships with God and others by providing **resources and learning opportunities** to the church and Life Groups that will help them grow into mature followers of Jesus Christ.*

RESOURCE NEWS

Did you know that the **Resource Room** (in the Son Room) is open for browsing every Sunday from 9:30am-11am and again from 12:30-1pm?

Life Group Studies: We have a growing library of studies to support your “Love Learning” time in Life Groups. We have DVD studies and books on a wide range of topics including discipleship, evangelism, dealing with difficult questions, time management and many others. If you would like some help picking a study just let us know – we love helping you find just the right tools to help your group grow. In addition we have a growing library of studies from Smallgroups.com – and these are available free! You may either take a paper copy and photocopy for your group or we will send you the file electronically.

Leader Library: Interested in growing as a leader? We have some great books and leader resources to help you do that. Learn from inspiring teachers like John Maxwell, Bill Hybels and T.D. Jakes! Starting with 2010 we have at least one copy of all the books featured at the Willow Creek Leadership Summit. We also have an extensive library on small group leadership. Stop by and browse!

Lending Library: Are you just looking for a good read – something to encourage you and give you a lift this week? Stop by our lending library! This is an honor system library made up of good books donated to the resource room. Just like borrowing a great book from a friend! Stop by anytime and browse. You are welcome to borrow our books with the promise to return them within three weeks.

CONTACT INFORMATION

We would love to hear from you. So if you have a question or a comment please contact the Learning Team at cumclearningteam@gmail.com or drop by the Resource Room on any Sunday morning.
