

LIFE GROUPS

It is our mission at Christ United Methodist to connect you to God and others.

At Christ UMC, we help you to connect to God through our worship services and to connect in relationships with others through Life Groups.

Home Groups

Life Groups are at the core of how we care for and help members of our church grow.

It is in a Life Group that you will be encouraged to develop authentic relationships and grow in the Christian life. Life Groups meet in homes during the week and provide a supporting environment to make friends and learn more about becoming a disciple of Christ. A Life Group is a group led by a trained Life Group Leader in which you will be cared for and you will fulfill the five purposes of the Christian life.

If you are interested in getting connected in a Life Group, take one of the following steps:

1. Browse through the Life Group descriptions in the lobby. When you have found one or two that interest you, see the Life groups team member at the counter and ask for information cards for those groups. Call the leader(s) for more information and to arrange a visit.
2. Stop by the Life Groups counter in the Lobby. We will ask for contact information and answers to a few key questions to help us identify potential life groups for you. Someone from the Life Groups team will help you get connected.
3. Notice anyone with a printed name badge sitting near you at church? Ask them about their life group!
4. Contact the Life Group team at cumclifegroupconnect@gmail.com or call the church office and ask for the Life Group Coordinator at (843-236-6201 ext. 216).

Sunday School Plus Groups

Sunday School Plus is a Sunday morning Life Group. These groups meet at 10:00 a.m. on Sundays to accomplish the same purposes as the home groups described above. The way to connect to these groups is the same as above as well.
